To: Steve Johnston

L is for Love! Whether your child is practicing early language & literacy skills or reading chapter books, it's all about sparking that joy and encouraging a true love of reading.

Young children must learn the names & sounds of the ABCs. Once they understand the connection between letters and sounds, they can begin to combine letters to form words. This is the very foundation of reading! #LetsGoCLT

[Your child can know the ABCs before starting school!](#)

HAVE AN OLDER READER?

Find a whole slew of quick and fun activities to do at home or in the car to increase your child's reading knowledge. [HomeReadingHelper](#) offers printable activities, links to games your kids will love and more. You'll also find dozens of short videos that may have a positive impact on your family's reading routines.
