Dear Friend,

It's my honor to work for you as an At-Large County Commissioner. I am running for my 5th term and I need your help. [Can you contribute to my campaign today?](#)

I stand on my record of speaking out for issues that concern all of us. For years I have advocated for transparency and inclusion of all voices in the county. I am proud of the work I have done to keep our schools safe, our children healthy, and our seniors and veterans treated with dignity and respect. Housing for veterans, seniors, and families with children continues to be a concern that has my full attention. Our homeless neighbors, many of whom are working, suffer indignity and feel invisible in the community. I have tried to shine a compassionate light on them to let them know we do see them as part of our community. I've also been a fierce watch dog of your tax dollars, and you can continue to count on me to put you first -- not special interest groups.

I'm running for re-election because residents tell me that they depend on me to do the research, to show-up in the community, to listen to them and to speak-out on issues even if I stand alone.

With gratitude and hope, [I ask you to contribute to my re-election campaign](#) and I promise to continue to ask the tough questions on your behalf.

I work for YOU!

Sincerely,
Pat
