“ We need Judge Blake in our district court system. Since she became a judge in January 2017, Judge Blake has presided over thousands of hearings, including hundreds of juvenile hearings, and even took the extra step and became a Certified Juvenile Court Judge. Prior to becoming a judge, Judge Blake successfully practiced at a large firm and also excelled at running her own small firm. This not only speaks to what a talented attorney she is but also illustrates that she is uniquely qualified to understand the demands placed on the practitioners who appear before her.

Throughout her career, she has also been an active volunteer. I was fortunate enough to serve on the Mecklenburg Bar Foundation while she was its President. She showed the same skills leading the MBF as she does when she is on the bench - fairness, understanding, intelligence and integrity. Mecklenburg County, its families and its children need Judge Blake.”
