As the CMS Board's representative to the Mecklenburg County Complete Count Committee, I want to remind residents that Census Day is coming and we need everyone to "Make it Count" by completing the census.

The 2020 census count helps bring valuable resources to our community. Federal funding for healthcare, education and transportation depend on a complete count. In addition, the census determines congressional representation and with a complete count, NC stands to gain additional representation.

The census is convenient, safe, required and important.

You can complete the census online, by phone, or by mail.

Mecklenburg County residents, we're COUNTING on you!
