Hello,

I previously sent out communication, about the Census Block Party Tour and I have received a scheduling update. The Grier Heights event on March 21, 2020 has been rescheduled for May 16, 2020. Please see further details in the email below.

Best,
Tiffany

Good morning,

Happy Monday, I hope all of you are in good health! I am forwarding the information around the census if you guys could share this information. The Census Block party in Grier Heights has been rescheduled for May 16, and all others remain the same until further notice.

Kind regards,

Faith Estrada LMSW

We, the Census 2020 Block Party Tour task force team, are continuing to prepare for the 4 community stops, and we understand that you may have concerns about these public gatherings given the recent spread of COVID-19 (coronavirus) in North Carolina and around the country. Our team is taking this health risk very seriously. The following precautions will be taken during the Block Parties:

- **The first Block Party at Grier Heights originally scheduled for March 21st will be rescheduled for May 16th. All other dates remain the same until further notice.**
- Hard surfaces and computers onsite used to complete the Census 2020 will be cleaned and disinfected frequently and after each use, and we will encourage individuals to use their own personal online devices to complete the Census as well.
- Sanitation stations and hand-washing resources will be pointed out throughout the events. We highly encourage frequent and effective hand-washing and other safe hygiene practices.
- Please visit the CDC's website for a host of valuable information. If you are experiencing any of the symptoms listed on the CDC's website, please refrain from traveling or attending events, including the Census 2020 Block Parties.

All in good health,

The Census 2020 Block Party Tour task force team
