CORONAVIRUS UPDATE

COVID-19 Internet Service Options

In response to COVID-19, many North Carolina residents are being asked to work and learn remotely. The North Carolina Department of Information Technology has compiled a list of new and existing free or affordable service offerings.

Handwashing is One of the Best Ways to Protect Yourself

Handwashing is one of the best ways to protect yourself and your family from

getting sick, however if soap and water are not readily available, you can use an alcohol-based [hand sanitizer](#) that contains at least 60% alcohol. You can tell if the sanitizer contains at least 60% alcohol by looking at the product label.

To learn when and how you should wash your hands to stay healthy, especially during these key times when you are likely to get and spread germs, click [here](#).
