OF CENTRAL CAROLINAS

**Empowering Communities.
Changing Lives.**

Dear Friends of the Urban League,

We hope that you are staying safe, practicing social distancing and caring for loved ones during these unprecedented times. At the Urban League of Central Carolinas, we are committed to continuing our mission as we Empower Communities and Change Lives. As such, we are monitoring the situation daily and following recommendations from our national, state and county authorities. Effective, March 23rd, the following steps have been taken to ensure the well-being of our staff, clients and community partners:

- **Work remotely.** We will continue serving you with minimal disruptions to the maximum extent possible.
- **Be available Monday through Friday, 8:30 a.m. to 5:00 p.m.** During business hours, you may call our main line at (704) 373-2256 and you may send general questions to info@urbanleaguecc.org. We will respond to all messages within 24 hours.
- **Stay connected** via email, phone calls, and video conferencing. You may also follow us on Facebook [@ULCC704](https://www.facebook.com/ULCC704) and Twitter [@ULCC704](https://twitter.com/ULCC704), and on our web site at www.urbanleaguecc.org for updates.

While we work remotely, all in-person meetings and building activities have been suspended. This includes all information sessions, workshops, and use of the Computer Lab.

In partnership with our local health officials, we will continue to take proactive and educated actions to assess when we are able to safely bring our programs and in-person services back to the building and into the community. Thank you all for the continued support during these challenging times. Together, we'll all get through this and become a stronger community because of it.

Sincerely,

Teddy

Do you need help managing your finances during the COVID-19 crisis? If you have questions about your personal financial situation, and how you have been impacted by the COVID-19 crisis, Common Wealth Charlotte may have some answers. They have created a few guidelines to help you understand the current status of mortgages, auto loans, rents, taxes and even filing for unemployment benefits. Visit their special page at www.commonwealthcharlotte.org/covid19 for more information.

Charter/Spectrum is offering free access to broadband and Wi-Fi for 60 days for k-12 and college student households in addition to opening up its Wi-Fi hotspots for public use. Click below for more details.

While you're quarantined at home, don't forget to complete the 2020 Census. If you received a letter in the mail, it has your Census ID and instructions for completing your census online. If you have not received a letter, visit www.my2020census.gov to complete the Census (using your address as your identifier). It only takes 10 minutes to complete the Census questionnaire.

Local communities depend on information from the Census Bureau to fund programs that promote the well-being of families and children as well as equal employment opportunities for you and your neighbors.
