Fight the Spread of the Coronavirus — Donate Your Unused Personal Protective Equipment at Select Goodwill Industries of the Southern Piedmont Locations!

In partnership with Atrium Health, Novant Health and the Mecklenburg County Government Health Department, Goodwill Industries of the Southern Piedmont is collecting unused personal protective equipment (PPE).

Although all Goodwill retailers and donation centers in the Southern Piedmont are closed, stop by the [Goodwill Opportunity Campus](#) or the [Ballantyne retail store](#) on Thursdays and Saturdays from 12 - 4 p.m., starting April 2 through April 23 to donate PPE.

We are in desperate need of N95 masks as well as surgical masks with and without a shield. Other needs include disinfectant, eye protection (including safety glasses/goggles), face shields, disposable gloves and gowns, hand sanitizer (greater than 60% alcohol), disposable shoe covers, and handmade masks (contact Tracey Ratte at twratte@gmail.com for info on making masks). If you have any of these items, please consider donating them — it could save lives!

Donor Support is More Important than Ever—Contribute Financially to Goodwill!

With our retail stores temporarily closed – which serve as the largest portion of our funding stream – Goodwill Industries of the Southern Piedmont is in need of monetary donations. If you are able, please [visit the donation page on our website to contribute](#). Any and all gifts are greatly appreciated as we provide necessary services to people who will - or already have - lost their jobs. Thank you for your interest!
