Native Plants on Sale Now

Did you know? Just because a plant “can” grow here doesn’t necessarily mean that it should. Plants native to the area have the best chance to not only thrive, but also promote local biodiversity, nurture local species, and support stewardship of our natural heritage. Through the end of the month, Mecklenburg County Park and Recreation hosts a Native Plant Sale featuring online purchase of local plants and herbs. Read more about how Partners for Parks helped start the program, its benefits, and precautions for a safe and protected pick-up: <https://partnersforparks.org/mcdowell-plant-sale/>

Around the Crown 10k Announces New Date

COVID-19 and the local stay-at-home order have impacted events from spring through the summer. We’re bullish on the idea that things will be somewhat back to normal by fall. By then, we’re expecting to all be looking for ways to spend our pent-up energy. Luckily, our partners at the Around the Crown 10k have just the thing. The event’s new 2020 date looks to be perfect— and so should the forecast. Check out what’s in store when this one-of-a-kind event returns to I-277: <https://partnersforparks.org/atc10k-new-date/>
