To help keep learning alive at home while schools are closed, we've worked with many partners to bring you a list of high-quality online supplemental PK-12 resources in **one place**.

As schools are creating lesson plans and sending daily tasks to families to cover a few hours a day, we hope this collection of online resources will help to continue the learning on days that you and your child are looking for more.

[CLICK TO #KeepLearningCLT](#)

Here are a few examples.

Whether you're looking to support math, reading, science or something else, we've got you covered from Pre-K through 12th grade. Most of these resources are free and can be used directly by children in your household.

Kindergarten-8th

Smithsonian - fun stuff for kids online

Free videos, games, articles, activities, and even live video streams of animals. Content includes science and history.

Subjects: Reading, Science, Social Studies

Smithsonian »

Kindergarten-8th

Cool Math For Kids

Math games and practice activities for students to practice their math skills. They are designed to teach math and make it fun.

Subjects: Math

Cool Math For Kids »

PreK - 2nd

Khan Academy Kids

Engages kids in core subjects while encouraging creativity and building social-emotional skills. It is age-appropriate, personalized based on where your child is at.

Subjects: *Reading, Math*

Khan Academy Kids »

PreK - 3rd

Home Reading Helper

Website developed by Read Charlotte that includes videos, games, activities, and resources to help parents know how best to support reading at home.

Subjects: *Reading*
