# CAROLINA YOUTH COALITION

The effects of the COVID-19 outbreak have brought about unprecedented change in all of our lives. As CYC has transitioned to new and innovative ways to virtually deliver our programming and connect our Fellows to critical emerging needs, there are two things that have remained unchanged - our unwavering devotion to supporting our Fellows on their postsecondary journey and the undeniable power of mentoring.

**During National Volunteering Month, we're sending a special shoutout to our Dream Team!** Our dedicated College Mentors, writing coaches, tutors, and volunteers play an integral role in helping our Fellows dream big and realize their full potential! Your efforts are as important now as ever. CYC could not do this work without you and we appreciate all you do to bring #Power2theyouth.

**You're invited to join CYC and dynamic host, Ohavia Phillips, for a celebration of the Class of 2020 as they make their big announcements on their college decisions!** Despite the disruptions from COVID-19, these incredible students have continued to remain resilient and push forward on their journey to and through college.

This year, CYC's 32 seniors submitted 429 college applications, were accepted to 64 different colleges, and earned millions in scholarships and grants! In addition to our first-ever Questbridge National Match Scholar and Gates Scholarship recipient, CYC Fellows were also admitted to Boston College, Boston University, Brown University, East Carolina University, Emory University, Furman University, Georgetown University, Johns Hopkins University, NC State, New York University, Queens University, UNC-Chapel Hill, UNC Greensboro, Wake Forest University, Vanderbilt University and many more!

Join us for this special occasion as they reveal where they will be joining the Class of 2024 and help us cheer them on to their next step!!!
