# Virtual Digital Communications for Neighborhood Groups

Thu May 7, 2020 1:00 PM - 2:00 PM (Time zone: [Eastern Time US & Ca](#))

- 
- Calendar Neighborhood Trainings
  - Lead Department Housing & Neighborhood Services
  - Lead Dept Contact (Full Name) Nichelle Wilson
  - Lead Contact Email nichelle.wilson@charlottenc.gov
- 

Digital communication can help build capacity in neighborhoods and foster a stronger sense of community. While communication technology should never replace face to face contact, neighborhood leaders can use the power of digital resources to leverage assets and engage residents. Strong digital communication requires understanding your audience, meaningful content, quality deployment and the ability to remain in touch. In this training, presented by Next Stage, you will learn how to use digital communication as a tool to improve communication in your organization.

**This workshop will take place via Zoom.**
