Greetings Tiffany.

As our young people are being profoundly affected and impacted during this crisis, many of the traditional summer employment opportunities will no longer be available to them. The 100 Opportunities initiative is presenting a virtual job fair on May 7. This pandemic cohort of students needs as much hope and encouragement that can be made available to them and this is a fantastic way of doing so. Please share among your network.

The [100,000 Opportunities](#) and [Get Schooled](#) are launching the 3rd National Youth Hiring Day, with the goal of helping as many young people as possible gain employment.

- **Who:** 100K & Get Schooled are teaming up with vFairs.com and participating companies
- **What:** The Third Annual National Youth Hiring Day
- **Where:** On a virtual platform that we have successfully used in the past
- **When:** May 7th from 2:00 – 7:00 PM EST
- **Why:** We cannot let opportunity youth be the first fired and the last hired during these challenging times. They are too valuable to our companies, our nation, and their respective communities.
