We believe that  
educational equity will  
be achieved through  
courageous leadership.

Steve,

Today is #GivingTuesdayNow. It is an invitation for you to stand with the causes and organizations that are most important to you.

[If improving education for communities of color is important to you, we invite you to partner with Profound Gentlemen to build a community of male educators of color who make it happen.](#)

This year, we have supported over 500 men of color at all ends of the teacher pipeline to ensure that we increase the opportunities for boys of color to have educators who serve as mirrors of opportunity and possibility.

Your contribution allows PG to:

- Guide aspiring male educators of color through a transition from college to the classroom.
- Support beginning male educators of color through their first 3 years of teaching.
- Coach male educators of color into fulfilling their leadership potential within education.

[Please consider making a one-time contribution of \\$25 or an ongoing contribution of \\$5 a month.](#)

**More happening today at PG**
