Hi Sarah,

Yesterday, on the debut episode of *Coast to Coast*, we had a compelling conversation with NYU professor and scholar [Eric Klinenberg](#). Together, we talked through the social implications for our communities and how to begin thinking about the rebuild after COVID-19.

If you weren't able to join us, or want to re-watch the show, you can find a recording at [kf.org/coast2coast](http://kf.org/coast2coast). For an in-depth look into Eric's work and topics discussed during the program, check out the following resources:

- Last night, Eric launched the first episode of "*The Shift*," a series centered on public spaces. [Watch the video here](#).
- Read "[We Need Social Solidarity, Not Just Social Distancing](#)," a recent New York Times op-ed penned by Eric.

On next week's *Coast to Coast* episode, we'll explore equity and inclusivity during the COVID-19 recovery process.
