

Did you miss CYC's Virtual College Signing Day last Friday?! We've got you covered.

View the highlights (above) from this special occasion as the Class of 2020 revealed where they will be headed as new members of the Class of 2024. While these are certainly difficult times, we took a few moments to recognize all of the hard work of our seniors and to celebrate the next step on their higher education journey!

We hope this brings joy to your day as well!

Thank you to our host, Ohavia Phillips, and the local alumni who helped welcome our Fellows to their college communities!
