Steve, I want to talk to you briefly about a number: 3,788

**That's the narrow margin of votes that Republicans won NC-09 by in the special election last year. [Can you donate today to help close that vote gap?](#)**

We can make up that gap with a neighborhood-by-neighborhood approach that includes keeping every 2019 voter and increasing turnout among younger voters and communities of color -- and in a Presidential election year, there will be many strong opportunities to do it.

But we can't take it for granted, especially when Republicans are engaged in a massive disinformation campaign to suppress voting by mail. **It's going to be a long, costly fight for every vote from now until November 3.**

So, we need to **meet our May budget goal by tomorrow.** What we raise this month will determine the scope of our voter outreach as the summer begins, and just \$50 can help us contact dozens of people.

**[We're currently \\$1,314 short. Can you donate today to help us reach our May goal?](#)**

Thank you for all you do!
