Hi Steve,

My team and I have charted out the next 155 days until November 3 to make sure we have a winning plan. Building off of strong May endorsements, we're going to give our all in this campaign, but it's going to take a big effort from grassroots supporters to put us over the line in a district that was decided by less than 4,000 votes in the last election.

My goal every day of this campaign is to bring leadership to the 9th District that is rational and compassionate.

I can't do this without you.

We can't afford to miss any goal, so hitting our May fundraising target by **midnight** tonight is absolutely critical to our ability to run a race that will bring leadership change. With just a few hours to go, we still need to raise \$757.

Your donation will make a huge difference. Please chip in what you can here:

Warm regards,

Cynthia

P.S. I know giving to a campaign isn't feasible for everyone in these difficult times. Please only donate if it's within your means -- no amount is too small and every little bit counts!
