THANK YOU!

Because of grassroots supporters like you, our campaign is on track to defeat Dan Bishop this November and give NC-09 a representative who will champion healthcare, education, and voting rights.

By helping us meet our monthly fundraising deadline, you're ensuring that we can stand up to Bishop's special interest donors and the outside groups who will spend on his behalf. **We're showing that a people-powered campaign can win.**

Warm regards,

Cynthia

P.S. Today marks exactly **five months** from election day. It's important that we continue to fund our voter contact and digital operations, because every day from now until November 3 counts. <u>If you can chip in \$10 or more to keep us moving forward</u>, I'd greatly appreciate it.
