The Southeast Region Virtual Town Hall Forums, Ensuring Education Equity in Schools are offered as a series to look at how issues of equity are playing out in the daily activities of schools and educators. Working together, our aim is to come up with strategies, solutions and best practices to begin a real dialogue of courageous conversations that can begin with staff, students and community when schools reopen during COVID-19 Pandemic. We encourage NABSE Local Affiliates to hold these Virtual Town Hall Forums in their community with schools.
