What a Difference a Pandemic Makes

Leslie Schlernitzauer, CFR Board President [info@cfcrights.org]

Children remind me every day what's important.

As I wrap up my time as board chair for Council for Children's Rights, I continue to be in awe of the work we do and *especially* the children we serve. With every challenge thrown our way we continue to make sure this essential work happens, and our children get the life-changing services they need and deserve.

You really haven't seen true resilience until you've seen the children served by the Council and the miraculous ways they adapt and thrive. It inspires me and puts my own struggles in perspective.

This is an incredibly tough time to be asking for money. With my own business Porcupine Provisions pretty much on hold indefinitely, believe me when I say I understand. I do not make this request lightly. **But it is imperative to our community and its vulnerable children that this work goes on as strong as ever.**

We have a goal of \$60,000 to

meet by
June 30 –
 and we're
 already **54%**
 there!

I know we can achieve it with your help. In fact I think we can absolutely crush it!

Donate Today!

There are thousands of reasons to give to the Council, but the reason I do...
Children are by far the best investment anyone ever made.

With hope, grace, and gratitude,

Leslie Schlernitzauer
 Board President

P.S. If you've already given, thank you so much. If you would like to keep the momentum going, forward this email to a friend and help us meet our goal even faster! Thank you for all you do for kids!
