Steve,

In order to make lasting systemic changes in our communities, we must elect leaders who put people first.

**That is why I am honored to endorse Cynthia Wallace for Congress in North Carolina's ninth district.** She is the kind of leader who understands what's at stake for ALL the people in her district.

The gains we made in the 2018 election were good, but we must continue to protect and expand the House majority in 2020 by electing great people like Cynthia!

[Will you join me today and support Cynthia's campaign for Congress? We need to flip this district, and every dollar makes a difference, so chip in \\$10, \\$25 or more today.](#)

Cynthia's in this race for all the right reasons. She understands firsthand the struggles of working Americans, having grown up in rural, Southern Georgia, the daughter of a civil rights activist father and a textile working mother. She has spent the past 25 years working as a manager in the financial services industry and knows what it's like to work hard to earn a living.

I remember being so frustrated by what happened in this district in 2018 when Republicans tried to steal the election by committing fraud. Cynthia stood with the people by demanding a new, fair election. Her years serving as her state party's 9th Congressional district chair demonstrate her willingness to fight for a just cause and stand for what she believes in.

Cynthia is committed to fighting for affordable, accessible health care, to expanding broadband for all parts of her district, investing in quality education, no matter the zip code, and ensuring that women are paid equal pay for equal work.

She is a passionate leader who will stand with both the rural and urban parts of her district to bring about positive change for the future.

[Join me and support Cynthia with a \\$10 or \\$25 donation today. We can flip this district together, but we need your help today.](#)

Thank you,

Kamala Harris  
U.S. Senator, California
