Robeson County needs facemasks!

Steve,

The COVID-19 health crisis has made the availability of personal protective equipment (PPE) very difficult to come by. Facemasks, gloves, and hand sanitizer are still a rare find on store shelves as people continue to be cautious in the middle of this pandemic.

[Every dollar we raise today is going directly towards our mask dropoff tomorrow. Can you pitch in whatever you can today so we can make sure everyone in Robeson County stays safe?](#)

This is why we know Cynthia will be the congresswoman that NC-09 needs because she doesn't just talk the talk. She sees a need and steps up to meet it. We know that this is a difficult time for all of us, but we know that this people-powered movement is committed to helping others when they need it most. [So chip in what you can today and help us distribute as many facemasks as we can across Robeson County!](#)

Thank you!

Team Wallace

P.S. If you have spare facemasks that you'd like to donate, contact Robert to coordinate dropoffs at: robert@cynthiawallaceforcongress.com
