CYNTHIA ★ ★ ★
WALLACE
FOR CONGRESS

Steve, This is not the kind of leadership NC-09 is looking for.

Instead of working to address police accountability with his congressional colleagues, **Dan Bishop voted NO on the George Floyd Justice in Policing Act of 2020**. And just last week, he introduced new legislation with FL Congressman Matt Gaetz and NC Congressman Ted Budd that he describes as a bill to stop your tax dollars from funding cities and states that "cede ground to mobs and promote anarchy" based on actions in Seattle, WA. When he has an opportunity to address real problems, he chooses partisan posturing.

These are recent examples of our congressman neglecting the people he represents. He is more concerned about demonstrators in Seattle than he is about the rising cases of COVID-19 right here in the district. **When North Carolinians are getting sick and hospital beds are being filled, he remains silent while Cynthia and Team Wallace volunteers spent this past Saturday delivering over 4,000 face masks to folks in Robeson County.**

We're ready for leadership that puts their community's needs above partisan posturing. And that's Cynthia. She's stepped up to reach out and organize across the district to make sure everyone from Charlotte to Red Springs can stay safe and healthy.

[It's time to show Dan Bishop the door, but Cynthia needs your help right now. We are just one day away from our Second Quarter FEC reporting deadline -- our most important one yet -- and we need to make sure that we hit our \\$2,922 grassroots goal. Chip in \\$25 today, so we reach our \\$2,922 goal by midnight tomorrow.](#)
