Hello Steve,

I'm reaching out one last time before our midnight deadline tonight. I know you've been hearing a lot from my team lately, but it's because this election is so critical to taking our country in a different direction. Our campaign really runs on grassroots supporters like you -- people chipping in just \$50, \$25, \$10, or whatever they can afford. **[And with just a few hours until our most-critical FEC reporting deadline, I need to ask you one last time to donate any amount or another \\$15 to help us meet our goal.](#)**

Let me explain why these goals really matter. I've spent 25 years working in financial services, and I don't just look at the numbers. I look at what they represent. And when this report is made public, our numbers will represent the working families, teachers, small business owners, and everyone who reflects our community and the power of a people-driven campaign. That's how our numbers represent our strength.

Surpassing our grassroots donor target by **midnight** tonight is absolutely critical to show that our district is ready for my **rational and compassionate leadership**. With just a few hours to go, we still need to raise \$832.

Your donation will make a huge difference. Please chip in what you can here:

Warm Regards,

Cynthia
