### We did it!

Steve,

I'll keep this short, but did not want to start July without saying **thank you** for all of your help last month.

Because of supporters like you, our campaign blew right past our fundraising goals! By helping us meet this critical deadline, we're showing that our people-powered campaign has what it takes to win in November. Knowing that I have you by my side, Steve, I'm ready to restore rational and compassionate leadership back to NC-09.

Again, thank you!

Warm regards,

Cynthia

P.S. It's hard to believe it, but we're almost four months away from election day. Dan Bishop and the GOP will size up our campaign and will be ready to pour thousands of dollars to try and keep us from winning. That's why we cannot take our foot off the gas! Every day from now until November 3 counts.
