CYNTHIA WALLACE

FOR CONGRESS

Hey Steve,

Today is a very important day for our campaign, **because it is Cynthia's birthday!** We're passing around a virtual birthday card for folks to sign, and I know it would mean a lot to her to see your name on the list.

Will you sign Cynthia's card today to make her day a little extra special? [You can sign the card and share a special birthday message with Cynthia by clicking here.](#)

Happy Birthday, Cynthia!

Sign The Card

Cynthia works hard every single day to make sure that the people of her district get the representation they deserve. She's someone who knows NC-09 like the back of her hand and can tackle any problem with a rational, compassionate, and data-driven mindset.

Even on her birthday (when we told her to take some time off), she's still working tirelessly to make sure we win this election. So I know it'll really surprise her to see so many of her supporters wishing her a happy birthday. [Help us make Cynthia's special day a little extra special and sign her birthday card today!](#)
