Hey Steve, we wanted to make sure you saw our team's email from earlier today.

Cynthia is just wrapping up her final call of the day (on her birthday), and we're going to be sending over our virtual card to her right afterward to surprise her. **Have you signed her card yet? Sign Cynthia's virtual birthday card right now before we send it over to her. We know it'll mean so much to her to see your name on the list.**

## ◆◆SIGN CARD◆◆

---

We all know that Cynthia is working so hard every day on this campaign, and we know she'll work just as hard in Congress to ensure that everyone has access to affordable health care and quality education. Since we can't all come together to sing "Happy Birthday" to her, we know it'll mean a lot to get this card tonight.

**Can you make sure you sign her card before we send it over to her right now? You can add a special birthday message when you sign, too!**

Thanks,

Robert West III

Hey Steve,

Today is a very important day for our campaign, **because it is Cynthia's birthday!** We're passing around a virtual birthday card for folks to sign, and I know it would mean a lot to her to see your name on the list.

**Will you sign Cynthia's card today to make her day a little extra special? You can sign the card and share a special birthday message with Cynthia by clicking here.**

Cynthia works hard every single day to make sure that the people of her district get the representation they deserve. She's someone who knows NC-09 like the back of her hand and can tackle any problem with a rational, compassionate, and data-driven mindset.

Even on her birthday (when we told her to take some time off), she's still working tirelessly to make sure we win this election. So I know it'll really surprise her to see so many of her supporters wishing her a happy birthday. **Help us make Cynthia's special day a little extra special and sign her birthday card today!**

Thank you!

Team Wallace
