Can I ask you something, Steve?

Steve,

Can you believe it? We are less than four months away from Election Day. So much has changed over these past few months since I won the primary with 56% of the vote in a four-way race, yet we are still building a strong grassroots movement across the Ninth District to bring much-needed change to Washington.

There's still so much more we need to do in these last few months -- volunteer events to launch, mailers to get in voters' mailboxes, and ads to run so we can spread our message into every corner of the district. But having people like you on my team, I know we can get it done.

As we prepare to communicate with the voters as soon as possible, I have a small favor to ask: [Can you make a monthly recurring contribution to our campaign for the next 4 months? Even \\$5 or \\$15 a month is the difference between reaching 40% more voters in this final stretch.](#)

This time in our country's history is too important for us to not maximize this opportunity to get rid of Dan Bishop and get a logical and data-driven leader into Congress. I hear it across the district that people are in desperate need of a representative in Congress to stand up for them. NC-09 needs a fighter to make prescription drugs more affordable, close the gender pay gap, and ensure a quality education for everyone.

I truly mean it when I say that our strength is supporters like you who've stepped up to give what they can to make sure our values are respected and heard in Congress. And now that we are getting closer and closer to November, I need you to step up again.

Every dollar we raise goes directly towards voter outreach, and we have 113

more days to reach every voter. [So let's make every month count: Make your monthly gift of \\$5, \\$15, or whatever you can today so I can get my message across to everyone in North Carolina's Ninth District.](#)

Warm regards,

Cynthia
