Learning will look different.

We know that the first day of school will look different this year. But what hasn't changed is the importance of helping kids become strong readers. You can help your K-4 child stay on track using the [Reading Checkup](#).

It's FREE & designed to make your life a little easier while helping kids thrive.

You'll find these two steps at [ReadingCheckup.org](#).

First, you create a free account and give your child two short online quizzes to learn Then, you use the scores and access activities his/her reading level.

Enter to WIN!

Another week, another winner! Email a picture of your child's pie chart to elise@readcharlotte.org for a chance to win an autographed Charlotte Hornets basketball. Drawings every Friday through July 31!

You may have seen some of our community partners out and about this summer. Over 1,000 families have gotten started with the Reading Checkup & learned their child's reading level. We LOVE seeing the enthusiasm, even as we all navigate these challenging times.
