Steve,

This is Jake, Cynthia's new Finance Director. I just joined the team, and I've jumped right in as we approach another big deadline.

We are halfway through July, and are almost halfway to our grassroots goal!

I've been checking the numbers with our team, and we are just \$1,213 short of our mid-month goal.

That's why I'm coming to you now, Steve. We've built a strong foundation of grassroots supporters and I know with your help we can blow right past this \$1,213 deficit before midnight tomorrow. [Can I count on you to chip in \\$15 today to close our \\$1,213 funding gap before our mid-month deadline?](#)

If you've saved your payment information with ActBlue Express, your donation will go through immediately:

Hitting our mid-month goals makes a huge difference for our team. Reaching these goals means our ads go live and our mailpieces are sent on time. Every aspect of our communications plan is vital to getting our message across to the voters, so we can't fall short of this critical benchmark.

[Pitch in \\$15 today so we hit our \\$1,213 mid-month goal.](#)

Thank you,

Jake Briggs
Finance Director
