Greetings!

My name is Nakisa Glover, and I want to invite you to join Sol Nation tonight for the kickoff of the **Sol Tech Summer Series**. This FREE program is for girls from 6th-12th grade and will meet **Monday & Wednesday** evenings for the next 5 weeks. Sign up here <https://tinyurl.com/soltechsummer!>

No experience necessary to join! Our participants will learn useful coding skills, have access to 11 coding languages, participate in **sisterhood** activities, learn about **climate justice**, learn about **women in tech**, and build **confidence**. We talk about what it means to be **Brave, Resilient, Creative**, and have **Purpose** in everything we do!

Do you know a young lady in 6th to 12th grade that should participate? If so, sign up here <https://tinyurl.com/soltechsummer!> Space is limited. And even if you have participated with us in the past, you can join us again.

We are especially seeking participation from the following:

- Girls who are Black, Indigenous, and Communities of Color
- Girls who do not have access to these resources
- Girls who live in the following zip codes; 28208, 28206, 28202, 28216, 28269, 28262
- Girls who live in/near the following areas: West Charlotte, Freedom Dr, Beatties Ford Rd, Statesville Ave, Wilkinson Blvd, SugarCreek, North End Smart District

Sol Nation is a 501c3 non profit committed to closing the green gap by equipping communities with training and resources to own their own SOLutions.

Sol Tech Summer Session 2020

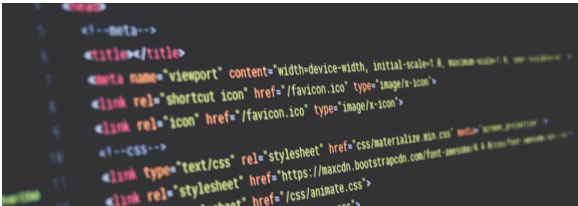

Virtual Experience

July 20 to August 19, 2020

Want to gain useful coding skills while in the comfort of your own home? Are you a young girl in 6th to 12th grade? If so, join us for five weeks of sisterhood building and fun!

1 of 2

7/20/20, 8:41 PM
