Fwd: BREAKING News: One step closer to flipping NC-09 blue

Steve,

Making sure you saw the good news! The Cook Political Report has upgraded this race, just a couple of steps away from being a "Toss-Up". We are on the move in the right direction, and Dan Bishop is running scared! [Can you help us keep the momentum going and chip in today?](#)

This race is now on the map with national attention, and all the extra attention means that Republicans are going to invest heavily in this district. We know Dan Bishop's dark money buddies are going to do whatever they have to do to keep this seat red. But they don't have what we have: strong, grassroots supporters like you.

[So let's keep going. Help me flip the 9th District and chip in \\$50, \\$25, \\$15 or whatever you can today.](#)

Warm regards,

Cynthia

Steve,

Our race just got an upgrade! The Cook Political Report has put NC-09 on the map as a race to watch.

This is a huge victory for Cynthia and our team. A candidate like Cynthia fits this district, has the right message, and has the right relationships to win this seat. Our grassroots movement has changed the dynamics of this race. It's supporters like you that are going to make sure Cynthia gets the job done and turns this seat blue.

But we can't slow down now. Now that we have their attention, Dan Bishop and the GOP money machine will do anything to hold onto this seat, including flooding our district with special interest dollars. We *have* to keep up our strong grassroots movement to shut them out and let them know this race can't be bought.

[It's time to fire Dan Bishop, and we're one step closer to doing it. We cannot bring leadership change to NC-09 without grassroots supporters like you. Can you chip in \\$25 or more today to keep up our momentum and send Cynthia to Washington?](#)
