### Playing it Cool

It will still be some time before we get a break from this summer heat. But if you don't want to wait on the calendar to provide some relief, you can still find some places and spaces to keep your cool in Mecklenburg County Parks. Yes, even with social distancing and other restrictions there are literally loads of "cool" places to visit. Take a look at our list! <https://partnersforparks.org/keep-cool/>

## **Parks in Davidson Get New Director**

The Town of Davidson is a real charmer. The small college town just north of Charlotte is full of engaged, active, and civic-minded folks. The quaint downtown lined with local shops and restaurants serves locals and visitors alike and it's more than worth the drive. Access to parks, trails, and green space is a community priority. New Parks Director Leslie Willis is set to guide her small department toward some big goals. <https://partnersforparks.org/new-davidson-director/>

## **Stay Tuned for This**

Partners for Parks is gearing up to launch our Annual Sponsor Fundraising Campaign! We have a lot of great ideas to celebrate another year of engaging our community partners, supporting our local parks and people who love them, and to thank our annual sponsors who make it happen. Since COVID-19 is going to keep us from meeting together for our Annual Awards and Sponsor Celebration like we usually do in October, we're going to try something a little different this year – and it involves YOU and your connection to Mecklenburg County's "outdoor living rooms." Stay tuned — we'll share the details soon!

Partners for Parks aims to improve the quality of life for the citizens of Mecklenburg County and the surrounding region by preserving, promoting and enhancing the parks, greenways, open spaces, active play and recreational opportunities within our community.

Partners for Parks is a non-profit 501(c)(3) organization. Donations are tax deductible. Please consider making a **donation**. To make a gift by mail, please send your check made payable to "Partners for Parks" to:
