Steve,

Time is flying by: **We are only 90 days away from Election Day!**

Every day between now and November 3 makes the difference between victory and defeat, and we are not taking our foot off the gas.

That's why we're launching our Cynthia Sustainer program: 90 grassroots supporters to make three \$30 gifts for the final three months to keep up our momentum. [Will you become a Cynthia Sustainer today and chip in \\$30 for the next three months to hit our grassroots goal?](#)

If you've saved your payment information with ActBlue Express, your donation will go through immediately:

This campaign is fueled by grassroots dollars, and Cynthia is counting on supporters like you to help her get her message in front of as many voters as possible. Cynthia is ready to put her 25 years of experience in financial services to good use for the people of NC-09. Our district wants leadership that puts healthcare, education, and

economic opportunity for our urban and rural communities first, and when they hear Cynthia's message, we can win.

Ensuring victory in November starts right now, that's why we need 90 supporters to sign onto our sustainer program to pave the way for our voter outreach program.

[Chip in \\$30 or more today to help us launch our Cynthia Sustainer program and hit our 90 donor goal!](#)

Thanks for your help,

Team Wallace
