Steve,

We have a historic opportunity up and down the ballot this year. Not only is Senator Kamala Harris the first African American woman vice presidential nominee, but also, **Cynthia (when elected) will be the first-ever African American to represent NC-09.**

**This year is our moment to make a mark on history and bring the change that our country is desperately seeking. So, let's get Cynthia to Congress to bring change in Washington alongside Kamala. [Chip in \\$25 right now to help Cynthia make history this year.](#)**

We are thrilled to have an honorary member of Team Wallace at the top of the ticket. Kamala was one of our first national figures to endorse Cynthia, and we know having her support along with leading at the top of the ticket will ensure historic victories up and down the ballot.

Women make up half of our country's population, but only a quarter of the representatives in Congress. And Black women represent only 4% of the people in Congress! Plus, we've never had a woman serve as vice president. Americans and North Carolinians are ready to see this corrected and have those who represent us look like our country. Having Kamala and Cynthia on the November ballot is step one, but we have less than three months to get the job done.

[Let's send more women to Washington. Chip in \\$25 today to help send Cynthia to Congress.](#)

Let's do this,

Team Wallace
