### AUGUST FOOD FOR THOUGHT "Child Custody Laws in North Carolina: Erasing Family"

August 20, 2020

12:30 - 1:30 p.m. via Zoom

Led by Sheila Pelzer/President, Kids Need 2 Parents (KN2P)

KN2P's mission is to modernize NC child custody law to "presumed shared parenting" (absent proven abuse or neglect) to keep both parents actively involved in their children's lives after separation or divorce. A vast amount of current research concludes this is in the child's best interest--emotionally, educationally, and economically. Court custody disputes are costly (for the state and for families) and divisive--with the child caught in the middle. In this presentation we will hear about this issue, a brief history of NC shared parenting bills (2009-2017), and Kentucky's 2018 presumed shared parenting law (first in the country). Registration is now open: <https://bit.ly/8-20FFT>

The event will be held via Zoom. Login information is emailed upon registration.
