**Dan Bishop just campaigned with Donald Trump, Jr. in
Bladen County, North Carolina**

We can't have them risking lives while spouting their hate..

[Tell Dan Bishop and Don Jr. to keep their distance from
NC-09 and chip in \\$35 right now.](#)

Steve,

Dan Bishop just attended a private fundraiser with his new bestie, Donald Trump, Jr.

We are in the middle of a pandemic; do you see any face masks?

Dan Bishop is a public safety risk: between his in-person events without masks, and his consistent attacks on healthcare access. And now, he's brought Trump's agenda and far-right talking points into NC-09's backyard, spreading more than just their hateful rhetoric.

It's bad enough that a scaled-down RNC is coming to Charlotte, but now he's putting folks in our rural communities at risk. That's because **Dan Bishop doesn't care about public safety. A picture says 1,000 words, and he only cares about the photo-ops to prove his loyalty to his party over the people of this district.**

We've had enough of this guy and his blatant disregard for the people of NC-09. [It's time for Dan Bishop to stop putting our community's lives on the line. Chip in \\$35 right now to tell Dan Bishop to keep his Trumped-up agenda out of NC-09.](#)

Thanks for your help,

Team Wallace
