Stand Up and Be Counted! The Urgent Need for an Accurate Census Count

Dear Friends,

Join us August 19th from 6pm - 7pm via zoom for our **Stand Up and Be Counted! The Urgent Need for an Accurate Census Count** event. Learn why getting an accurate CENSUS count is so important.

The Census only happens every 10 years. It determines how money and power are assigned by counting how many people there are to serve in each neighborhood, city, and state. Everyone living in the United States has the right to be counted in the 2020 Census. Every immigrant, every child, every neighbor, every student, everyone.

It's our power. It's our census. It's time to get counted.

Learn why getting an accurate
CENSUS count is so important!

The 2020 Census will determine the amount of resources that our region receives for the next 10 years. This year's count will also determine the amount of representation we have on the federal, state, and local level of government. It's time to make it count. Every Mecklenburg County resident has the right to be counted in the 2020 Census.
