Steve,

Republicans are going to continue shaking the very foundation of our democracy. We can't forget 2018 when they schemed to steal and manipulate absentee ballots:

And if a national scandal wasn't enough, they changed the special election bylaws to swap out the Republican candidate at the center of the fraud. [We can't let them do this again in 2020. Chip in right now to stop the GOP's seat-stealing games.](#)

Our vote is our way of raising our voices, and to have that vote stolen goes against the very ideals of democracy. We know that Republicans will do anything to hold onto NC-09, they've already proved it.

That's why our team is getting ready to roll out a massive voter outreach operation to fight back against any attempts to silence our voices in this election. But in order to make it happen, we need grassroots support to power-up our campaign.

[Tell the GOP to take their hands off our seat. Chip in right now so we can take back what was stolen from us.](#)

Republicans are going to keep bending the rules in their favor if we don't stop them.
Cynthia led the 9th District's call for a new, fair election, and we know she'll continue to fight for fair elections in Congress.

[Chip in today to fuel-up Cynthia's campaign and stop the Republicans from holding on to this stolen seat.](#)

Thanks for fighting back with Cynthia,

Team Wallace
