**Dan Bishop wants to destroy the USPS.**

Steve,

The survival of the United States Postal Service is not a partisan issue, it is a constitutional one. But so-called "Constitutional Conservatives" want to play games with this vital service.

Just this weekend, **Dan Bishop voted against the Delivering for America Act, a bill that will provide increased funding to the USPS and will reverse any already implemented changes that could delay mail delivery.** This was a bipartisan effort, but he would rather tie mail delivery to false voter fraud narratives than ensure that our veterans and seniors can receive their disability checks and prescription drugs on time.

We can't let Dan Bishop continue to use North Carolinians' needs as a partisan talking point. **As your next Congresswoman, I'll support measures to protect the USPS to ensure everyone can rely on receiving critical services on time.**

[It's time that the Ninth District had a Congresswoman that puts people above partisan politics. Chip in \\$10 right now so I bring some rational and compassionate leadership to Congress.](#)
