Steve,

When Republicans steal your election, and you fight back, only to lose again, you get to tell your story on AMERICA'S GOT SUPPRESSION! I appreciated the chance to join the Daily Show this week to shine a light on Trump's hypocritical voter suppression.

America's Got Suppression: North Carolina | The Daily So...

The Daily Show with Trevor Noah

On a more serious note, did you catch that at the RNC in Charlotte this week, Trump finally broke his silence on the fraud in NC-09? As much time as Trump spends making up cases of voter fraud, you'd think he would have condemned what happened. Instead, he praised the candidate behind the fraud as a ["fine man"](#) — because he was a Republican. You couldn't make up hypocrisy like this if you tried.

Trump wants you to believe that Democrats are rigging the election. The truth? It's him. As we know all too well in NC, Trump's attacks on mail-in voting are just the latest trick in a long playbook of voter suppression targeting voters of color, just like here in NC-09.

Thanks for doing all you can these next ten weeks to encourage your friends and communities to vote. This November, it's time to put an end to Trump's voter suppression.
