Hello Steve, I'm reaching out one last time before our midnight deadline tonight.

It's going to take a big effort from grassroots supporters to put us over the finish line in a district that was decided by 905 votes in the 2018 election that was impacted by Republican absentee ballot fraud. [Hitting this goal before midnight tonight sets the stage for our communications efforts in these final 64 days, so I need to ask you one last time to donate \\$25 or more to help us meet our goal.](#)

Surpassing our grassroots donor target by midnight tonight is absolutely critical to show that our district is ready for new leadership that puts people over special interests. With just a few hours to go, we still need to raise \$832

I can't do this without you.

**Your donation will make a huge difference. Please chip in what you can here:**

Warm regards,

Cynthia
