

CHARLOTTE REGIONAL BUSINESS ALLIANCE

# INFRASTRUCTURE

## SERIES

Infrastructure is more than just moving people and things to and from, it includes the backbone support of today's and tomorrow's growing demands for connectivity. To remain a competitive economy for business investment, we must take steps to address our infrastructure comprehensively.

The future of the Charlotte Region hinges on strong infrastructure in every community. As we explore this topic, we highlight those examples where infrastructure has facilitated growth for the region and those instances where infrastructure has isolated communities in our region.

Join the CLT Alliance for a six-part virtual Infrastructure Series to discuss, discover and deepen understanding of the power of well-planned infrastructure and its critical role in creating opportunities for all:

**TRADITIONAL** – Roads, bridges, airports & utilities

**TRANSITIONAL** – Broadband, light rail, commuter rail & bus service

**TRANSFORMATIONAL** – 5G, high speed rail, autonomous vehicle systems & electrification of vehicles

September 17: Traditional Part 1

September 29: Traditional Part 2

October 13: Transitional Part 1

October 29: Transitional Part 2

November 12: Transformational Part 1

December 3: Transformational Part 2

All Sessions: 11:00 a.m. – 12:00 p.m

All Access Ticket to the Entire Series - \$50

\*\* Mark your calendar now for the session(s) that most interest you. Individual session information and registration emails will follow. Please note the Zoom access code will be emailed prior to the event after registration is confirmed. \*\*
