JAIME HARRISON
FOR U.S. SENATE

1. STATE OF THE RACE:

South
Carolina has never seen anything like Jaime Harrison's campaign for U.S. Senate.

Jaime has built a massive grassroots campaign backed by thousands of volunteers and grassroots donors. These folks are inspired by his aspirational story and our optimistic campaign.

And together, we raised more in the month of August than Lindsey did in the **ENTIRE** second quarter [!!!]

Because of all the progress we've made, nonpartisan experts at the Cook Political Report and RealClearPolitics have **UPGRADED** Jaime's chances of winning!

Our fundraising has been powered by more than 1 million donations from over 500,000 individual donors. **These donations are the only things keeping our campaign afloat -- so if you can afford it, will you chip in today?**

2. HOW WE WIN:

In the past few months, we've aired multiple ads highlighting both Jaime's story growing up in Orangeburg, South Carolina and the need for strong, honest leadership for our state during the coronavirus pandemic.

As our grassroots momentum grows, we're investing in every type of voter, taking no one for granted, and communicating with folks no Democrat has ever reached before.

We're also investing heavily in boosting voter turnout so we can build a winning coalition in South Carolina.

Jaime's unique story and message of hope and opportunity is putting this race in play. The latest poll even shows Jaime **TIED** with Lindsey Graham!

But if we're going to win in November, we need folks like you on the team. If you can chip in a few dollars for our voter turnout effort, we'd really appreciate it:

3. LINDSEY'S SUPPORT IN SOUTH CAROLINA:

This is already a competitive race, and Sen. Graham's record of not fighting for South Carolina is catching up with him.

His deeply cynical brand of politics has opened up a major weakness that we see in every poll -- South Carolinians just don't trust Lindsey Graham any more.

Voters are seeing that after 25 years in Washington, Lindsey Graham has changed. He doesn't believe in anything except his own self-interest.

Instead of fighting for working people, Graham plays political games and fights for himself and the powerful -- he'll do anything to advance his political career.

Jaime, on the other hand, is committed to the people of South Carolina. He'll be a true fighter for everyday, working folks who Lindsey is all too happy to ignore.

But we need all hands on deck to defeat Lindsey Graham, Steve. Can we count on you to chip in a few dollars to Jaime's campaign today?

Steve, it's clear we have a tough fight ahead of us.

South Carolina hasn't elected a Democrat in over 20 years.

And this is going to be one of the most expensive races in the country.

But with your help, we can defeat Lindsey Graham once and for all. Please, chip in whatever you can today:

Steve, this year is our best chance EVER to beat Lindsey Graham and bring new leadership to the Senate. Here's why:

ONE: From Doug Jones in Alabama to Joe Cunningham right here in South Carolina, voters across the South have shown they are ready for change.

TWO: Lindsey Graham isn't who he used to be. He's abandoned his principles to focus on pleasing President Trump.

THREE: There are thousands of swing voters in South Carolina. *We need to spread my message and get these folks fired up to vote in November!*

But I can't do it without you. Will you chip in to help me DEFEAT Lindsey Graham?
