We just got some huge news, Steve.

EMILY's List, the nations' largest resource for women in politics, just backed Cynthia! [Join EMILY's List in supporting Cynthia with a \\$10 donation today!](#)

CHIP IN

EMILY's List is one of the most effective political organizations across the country, and with their support, we know that we can flip this stolen seat and send Cynthia to Congress in November.

Cynthia knows that when more women are empowered to make their voices heard, all of us benefit. More women at the table means that two of her key issues, reducing the gender pay gap and paid family leave, will be elevated.

Cynthia is going to be a welcome change from Trump's bestie Dan Bishop, but we need your help to unseat him.
