Steve,

I know it's late, but I wanted to make sure you saw our big news from yesterday:

**EMILY's List has joined our team for these final 48 days ahead of the November 3 election.** This is huge news, and we couldn't have gotten this big endorsement without your support.

Now that we're in the final stretch of the campaign, Cynthia has been working even longer hours than usual to make sure we keep up the momentum from this latest endorsement.

[Here's our announcement message again, and if you can, help Cynthia keep up our momentum with a \\$10 gift today. Knowing that we have your support will mean the world to Cynthia.](#)

### PITCH IN

Thank you,

Robert West, III

EMILY's List is one of the most effective political organizations across the country, and with their support, we know that we can flip this stolen seat and send Cynthia to Congress in November.

Cynthia knows that when more women are empowered to make their voices heard, all of us benefit. More women at the table means that two of her key issues, reducing the gender pay gap and paid family leave, will be elevated.

Cynthia is going to be a welcome change from Trump's bestie Dan Bishop, but we need your help to unseat him.
