Steve, NC-09 is sick of Dan Bishop.

He's attacked the Affordable Care Act repeatedly, even during a pandemic.

He's opposed Medicaid expansion in North Carolina as a former State Legislator.

He's opposed COVID-19 safety measures at every possible moment while voting against coronavirus relief measures in Congress.

**We cannot allow Dan Bishop to have another term in Congress. If we do, his healthcare extremism will cost North Carolinians their lives. But right now, we're still short of our mid-month goal, and we need 37 more donors to step up today. Help us get rid of Bishop's extremism and chip in right now to send Cynthia to Congress >>**

**DONATE NOW TO FIRE DAN BISHOP**

Thank you,  
Team Wallace
