Dan Bishop's disrespect while we mourn

Team Wallace [info@cynthiawallaceforcongress.com]

Steve,

At a time like this, we should be mourning for the loss of Ruth Bader Ginsburg. But unfortunately, we cannot sit back. Not when we see disrespect to her legacy.

Just hours after Justice Ginsburg's passing, Dan Bishop tactlessly began fundraising off of fear and partisan talking points.

A sitting congressman should have respect and dignity in this moment. But that's not Dan Bishop. He does not care about the lives of others or representing our values, he only cares about himself.

We cannot cover in our sorrows when Dan Bishop and the Republicans who want to profit in division continue to misrepresent us. [If you can, rush a](#)

[contribution right now to stop Dan Bishop and restore our values in Congress.](#)
