Renewable Energy and Efficiency Workforce Training Program

Goodwill Industries of the Southern Piedmont, in partnership with the City of Charlotte, is initiating a brand new fall cohort of the Renewable Energy and Efficiency Workforce ("RENEW") Training Program. This **16-week course will provide participants with skills in construction, HVAC and electrical trades as well as career counseling** to place graduates in full-time employment opportunities.

The entire RENEW Training Program lasts from **October 6, 2020 - February 5, 2021 and will occur Tuesday - Thursday, 6:00 - 9:30 p.m. and Saturdays, 8:30 a.m. - 3:30 p.m.** To be considered for the program, you must meet the eligibility requirements and **apply by this Friday, September 25.**

These skills are in high demand in the Charlotte region. So much so that the average wage for entry-level technicians in this field is \$48,000! We hope you consider this career-changing opportunity.
